AMENDMENT

Mail Stop: Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

**Introductory Comments**

This is submitted in response to an official action having a mailing date of 25 July 2007 in which the examiner objected to the drawings and required submission of substitute drawings, and also rejected the claims based on certain prior art.

This amendment is accompanied by a complete new set of drawings, all of which have been labeled in accordance with the requirement set forth in the official action. Notification of the acceptability of the drawings tendered herewith is respectfully submitted.

The claims have been amended to distinguish over the art and arguments have been included as to the distinguishability of the claims as respecting the art.
